3. BECOMING A CLIENT

- 3.1 In order to become a Client and before any services can be provided by Mercury, the applicant must provide Mercury with all information reasonably required by Mercury to comply with its legal and regulatory obligations and its own internal risk management processes and tick the box on the Website stating that it agrees to be bound by these Terms. In addition, the Client must provide Mercury with its standard settlement instructions and its preferences with regards to receipt of communications from Mercury. The Client warrants that all information provided to Mercury is true and correct to the best of its knowledge and belief.
- 3.2 The Client must provide Mercury with the names and contact details of all individuals who are authorised to instruct Mercury to issue Orders on the Client’s behalf (each a “Nominated Dealer”). Mercury will only accept Orders from a Nominated Dealer and shall be entitled to assume that a Nominated Dealer is authorised to make any Order unless notified otherwise in writing by an officer or director of the Client.
- 3.3 On provision of the above information to Mercury’s satisfaction, Mercury shall provide the Client with an Account Number and the contact details of its dedicated sales trader. If the Client wishes to place Orders online using the Online Platform, then, upon request, Mercury will provide the Client with a temporary password and personal identification number to allow it to do so.
- 3.4 At its absolute discretion Mercury may refuse to open an Account for a Client and may do so without giving any reason.

4. MERCURY’S SERVICES

- 4.1 Mercury may in its absolute discretion provide, or continue to provide, the following services to you:
- (a) Foreign Exchange Services - we may enter into transactions for the sale and purchase of currency (known as “FX Contracts”) with you in accordance with an order by you (such order being an “FX Order”). FX Contracts may include Spot FX Contracts and Forward FX Contracts; and
 - (b) Payment Services - following the execution of an FX Contract or to transfer money to a bank account without currency conversion and subject to these Terms, Mercury may transfer the Bought Currency or other funds to the Client’s bank account or the bank account of a third party (the “Payee”) in accordance with an instruction by you (such instruction being a “Payment Instruction” and the onward transfer being a “Payment”).

- 4.2 Mercury may provide information about foreign exchange markets and related matters from time to time. However, Mercury does not provide advice as to the merits of proposed Contracts and whilst Mercury may provide information, the Client relies entirely on its own judgment when making an Order.
- 4.3 Mercury will always contract directly with the Client when entering into an FX Contract with the Client. Neither Mercury nor Clear Treasury will act on the Client's behalf or as the Client's agent when entering into a contract for foreign exchange with its counterparties.
- 4.4 We only offer deliverable contracts for commercial and personal purposes. This means that you will always need to have a genuine commercial and/or personal reason for entering into an FX Contract such as (but not limited to) the purchase of a foreign property, goods and/or services or the remittance of funds whilst working abroad. We will not trade with you if you are seeking to enter into a foreign exchange transaction as an investment or to profit by pure speculation on foreign exchange movements.
- 4.5 Mercury's contracts with Clients are for settlement or delivery. That means at maturity the Client must take or give instructions for delivery of funds to a bank account. Under the permission Mercury holds as PSD Agent of Clear Treasury with the FCA, neither Mercury nor Clear Treasury can pay out any profit derived from an unsettled Spot FX Contract or Forward FX Contract. This means that if a Client has not paid the money it owes to Mercury in relation to an FX Contract prior to the dates set out in the Confirmation, Mercury cannot pay out any profit which you may have made on the relevant FX Contract.

5. CLIENT ORDERS

- 5.1 The Client warrants that it has the full capacity to place an Order and that each of its Nominated Dealers is properly and lawfully appointed and has the full capacity to place an Order on behalf of the Client.
- 5.2 The Client or a Nominated Dealer may place an Order:
- (a) verbally by telephone by calling +44 (0)207 199 3790 or by using the telephone number of the Client's designated account manager or otherwise by speaking to a Mercury employee via telephone;
 - (b) by email to contact@mercury-fx.com or to your designated account manager's e-mail address or the email address of any other Mercury dealer; or
 - (c) online via the Online Platform.
- 5.3 An Order can be accepted by us verbally or in writing (which includes email) or when you receive a confirmation that your Order has been accepted on the Online Platform (should your Order be placed online). Once accepted, such Order will form a Contract.
- 5.4 Mercury is under no obligation to accept any Order and may refuse to do so without giving any reason. Mercury will not be liable to the Client or any other party for any loss or damages resulting from Mercury's refusal to accept an Order.
- 5.5 Mercury reserves the right to:
- (a) refuse to accept any Order that establishes a new position;

- (b) assign limits or limit Contracts or the size of any open position that might result from a Contract which the Client may carry with Mercury at any time;
 - (c) require the Client to reduce open positions carried with Mercury; and
 - (d) require written confirmation of any Order.
- 5.6 Mercury is entitled (but not obliged) to act upon Orders which are or reasonably appear to be from the Client or any Nominated Dealer. In particular, an Order received from an authorised e-mail address or telephone number shall be sufficient to authenticate an Order as being from a Client, and Mercury shall be entitled to act upon Orders and instructions received from communication channels provided to Mercury by the Client.

TERMS APPLYING TO FX ORDERS AND FX CONTRACTS

6. PLACING AN FX ORDER

- 6.1 The Client or a Nominated Dealer may from time to time provide an FX Order to Mercury in accordance with Clause 5. Following receipt of an FX Order, Mercury shall, if it is willing to accept the FX Order, agree with the Client the terms on which it is willing to enter into the FX Contract.
- 6.2 The Client will be solely responsible for ensuring that the details the Client or the Nominated Dealer supplies to Mercury are true, complete and accurate, and neither the Client nor the Nominated Dealer will withhold or omit any information that may cause those details to be false or inaccurate.
- 6.3 If Mercury accepts the FX Order, Mercury shall subsequently provide to the Client a confirmation of the details of the FX Order (a “**Confirmation**”) by email. The Confirmation shall include the following:
- (a) the transaction number;
 - (b) details of the FX Order including the foreign exchange rate applying;
 - (c) the Value Date;
 - (d) any charges payable by the Client in respect of the FX Contract (including a breakdown of the amounts of those charges where applicable);
 - (e) any charges payable by the Client in respect of any associated Payment Contract (including a breakdown of the amounts of those charges where applicable);
 - (f) in the case of an FX Contract which is not a Spot FX Contract, instalment payments to be made by the Client as determined in Mercury’s absolute discretion;
 - (g) in the case of an FX Contract where payment for currency is to be made in a currency other than sterling, the currency in which payments by the Client are to be made.
- 6.4 A Contract remains binding whether or not the Client receives the Confirmation and the Client will notify Mercury if the Client has not received a Confirmation within 2 hours of making the FX Order.

- 6.5 The Client must inform Mercury of any errors or omissions within one Working Day from when the Confirmation was issued by Mercury to the Client, otherwise the Client is deemed to have accepted the contents of such document and shall not thereafter be entitled to dispute the contents of the Confirmation.
- 6.6 Mercury will not be bound by any FX Contract where it is reasonably determined by Mercury that there is a Manifest Error in the purchase or sale price quoted in the Confirmation. In these Terms, a “Manifest Error” refers to a manifest or obvious misquote of the purchase or sale price quoted to the Client, including a misquote based on a published price source on which Mercury has relied in connection with the FX Contract.
- 6.7 Once Mercury has transmitted a Confirmation confirming an FX Order in writing, the Client may only amend or cancel the Confirmation if Mercury expressly agrees (and any such amendment or cancellation shall be on the conditions specified by Mercury) or otherwise in accordance with the provisions of Clause 6.5 and 6.6.
- 6.8 The Client does not have any right under the Financial Services (Distance Marketing) Regulations 2004 to cancel any FX Contract. However, the Client may close-out an FX Contract entered into under these Terms prior to the Value Date of such FX Contract by giving notice in writing to Mercury. In such an event, the Client will be liable for all of the costs, expenses and losses and interest at the rate referred to in Clause 15.1, on any such sums that Mercury may incur, including any action it may take or have taken to cover or reduce its exposure, as a result of Mercury entering into such FX Contract with the Client (including the actual or hypothetical costs of unwinding any hedging arrangements which are referable to such FX Contract).
- 6.9 Any excess amount held by Mercury in respect of an FX Contract shall be returned to the Client after deducting all other sums due to Mercury. However, further to Clause 4.4, if any gain is realised due to a fluctuation in the foreign exchange rate in your favour, due to the regulatory permissions that we and Clear Treasury have, we are not entitled to pay this back you.
- 6.10 We may agree to notify you when we are able to provide you with a specific foreign exchange rate. Upon such notification, you may, at your discretion, place an FX Order with us. However, this service is provided on a no-liability basis, i.e. we will not be held liable for any any losses you incur if we fail to notify you that we were able to offer you the specific foreign exchange rate. Providing you with this information shall by no means be interpreted as providing advice to enter into an FX Contract.
- 6.11 You may instruct us that, upon us being willing and able to offer you a foreign exchange rate specified by you, we will automatically execute an FX Contract. The instruction is known as a ‘**Working Order**’ and the resulting contract known as an “**Automatic FX Order Contract**”.
- 6.12 You are able to specify in the Working Order that either:
- (a) it should be cancelled on a specific date; or
 - (b) it shall remain open until it is either accepted and executed by us at your chosen foreign exchange rate or it is cancelled or amended by you prior to it being accepted and executed by us (this is known as being “**Good Til Cancelled**”);

- 6.13 Notwithstanding which option is chosen in Clause 6.12, the Working Order may be cancelled at any time prior to the Working Order being accepted and executed by us. If the Working Order (a) is not cancelled; or (b) does not expire in accordance with its terms, prior to us being willing and able to offer you the specific foreign exchange rate, then the Working Order may be accepted by us in accordance with Clause 5.3.
- 6.14 In order to instruct a Working Order with us, you need to provide us with the following details:
- the specific foreign exchange rate you wish to obtain;
 - the currency of the Bought Currency and the currency you wish to use to purchase the Bought Currency;
 - the amount of the Bought Currency you wish to purchase and the amount of currency you wish to use to purchase the Bought Currency;
 - the date the Working Order is to expire, unless you would like the Working Order to be on a Good Til Cancelled basis.
- 6.15 You acknowledge that, after the Working Order has been accepted and executed by us, the foreign exchange rate you could obtain by entering into a new FX Contract may be more beneficial to you than the foreign exchange rate in the Automatic FX Order Contract, but you will still be bound by terms of the Automatic FX Order Contract.

7. MONEY PAID TO MERCURY

- 7.1 As part of its authorisation with the FCA as an authorised payment institution, Clear Treasury provides our Clients with bank accounts for the receipt and safeguarding of monies received by or held on behalf of our clients.
- 7.2 Where Clear Treasury receives money from the Client on our behalf, the money belonging to the Client shall be held in the Transaction Account. Where Mercury provides Payment Services to the Client, including upon money becoming due and payable under the FX Contract by Mercury to the Payee identified in the relevant Payment Contract, such money held by Clear Treasury at the end of the Working Day following the day on which they were received will be transferred from the Transaction Account into a bank account nominated by Clear Treasury (the '**Safeguarded Account**') until transferred to the Payee in accordance with the Payment Contract. The Safeguarded Account shall be a designated segregated client account.
- 7.3 Mercury may deduct from money held for the Client any amount the Client owes to Mercury including any fees, costs, taxation liabilities, margin calls, or charges incurred by Mercury in relation to such Client, however they arise, and apply such deduction in meeting such liabilities.
- 7.4 Where the Client pays money into the Transaction Account in advance of entering into an FX Contract, such money will be held by Mercury until the FX Contract is entered into between Mercury and the Client and the FX Contract is settled or a Payment is made. If, following a reasonable amount of time, no FX Contract is entered into, then the money may be returned to the Client.

8. MARGIN AND ADDITIONAL CONDITIONS FOR FORWARD FX CONTRACTS

- 8.1 For Forward FX Contracts the Client must deliver cleared funds (but not cash) to the Transaction Account covering the Margin within one Working Day of the date the Forward FX Contract was entered into and the remaining amount at the times specified in the Confirmation.
- 8.2 Mercury will monitor the value of the Client's aggregate open Forward FX Contracts on a mark-to-market basis. In the event of any adverse foreign exchange rate movement which occurs after the Client has entered into a Forward FX Contract, Mercury may request, and the Client shall immediately provide, such additional funds by way of additional Margin as Mercury may reasonably require to off-set the increased risk to Mercury.
- 8.3 Mercury reserves the right to make multiple calls for Margin whilst the relevant foreign exchange rate is less advantageous than at the date and time that the Client entered into the Forward FX Contract.
- 8.4 Where Mercury has requested that Margin be paid, the Margin is immediately due and payable and must be paid by no later than 3.30pm on the same day, or if this time has passed when the Margin is requested, by 3.30pm on the next Working Day. The Client agrees that it is the Client's responsibility to ensure that it is contactable and has provided sufficient contact details so that Mercury can contact the Client in the event of a Margin Call. If Mercury is unable to contact the Client by the end of the day in which a Margin Call occurs Mercury will be entitled to close-out the FX Forward Contract in accordance with Clause 9.
- 8.5 The Client hereby grants to Mercury a valid and continuing first priority and fixed security interest in all Margin at any time held or controlled by or through Mercury and any Margin which is in transit to, or from, or allocated to, or is otherwise in the custody of Mercury, as security for the payment and performance when due of all of the Client's obligations to Mercury under these Terms.
- 8.6 Such Margin may be applied by Mercury in satisfaction of all amounts owing by the Client to Mercury from time to time and in particular in any of the following circumstances:
- (a) Mercury incurs any liability or loss in respect of any Contract including any other Contract the Client may have with Mercury where the Client fails to fulfil its obligations under these Terms;
 - (b) the Client is in breach of any of these Terms including when the Client fails to pay the balance due as detailed in a Confirmation.
- 8.7 The Client will not be entitled to any interest on any Margin or any other sums held by Mercury or Clear Treasury on behalf of the Client.
- 8.8 Where a Client has failed to provide Margin by 3.30pm, Mercury may refuse to keep the relevant Forward FX Contract open and the Client will be liable to Mercury for:
- (a) any cost incurred by Mercury in exiting the Forward FX Contract; and
 - (b) any interest incurred by Mercury on the cost of borrowing funds in order to provide margin to any third party.

8.9 Upon exercise of any of its rights under Clause 9, Mercury is under no obligation to disclose details of its decision.

8.10 The Client will be required to notify Mercury not less than 2 Working Days before the Value Date of the details of the Payee(s), the payment means and the delivery instructions.

9. DEFAULT, CLOSE OUT & REFUSAL TO PERFORM FX CONTRACTS

9.1 Mercury may refuse to perform or may close out all or any part of any FX Contract, without incurring any liability to the Client for losses that may be sustained as a result and without giving notice to the Client or receiving any instructions from it, upon or at any time after the happening of any of the following events:

- (a) the Client fails to make any payment when due under these Terms or any FX Contract;
- (b) Mercury has been unable to contact the Client by the end of the day in which a Margin Call occurs;
- (c) for a Client who is an individual, the Client:

- (d) for a Client who is not an individual, the Client:
 - (i) suspends payment of its debts;
 - (ii) makes or takes steps with a view to making any moratorium, assignment, composition or similar arrangement with its creditors;

 - (vi) is the subject of a meeting of its shareholders, directors or other officers, which meeting was convened for the purpose of considering any resolution for, to petition for or to make application to or to file documents with a court or any registrar for, its winding up, administration or dissolution or if any such resolution is passed;

- (vii) is subject to a request from its shareholders, directors or other officers for the appointment of, or giving notice of their intention to appoint, a liquidator, trustee in bankruptcy, judicial custodian, compulsory manager, receiver, administrative receiver, administrator or similar officer; or

 - (g) if it becomes or may become unlawful for Mercury to maintain or give effect to all or any of the obligations under these Terms or otherwise to carry on its business;
 - (h) if Mercury or the Client is requested not to perform or to close out an FX Contract (or any part thereof) by any governmental or regulatory authority whether or not that request is legally binding; and
 - (i) Mercury considers it necessary to do so for its own protection including (without limitation) in the following circumstances: (i) protection from fraud or money laundering; (ii) protection from Client default; (iii) protection from market failure; (iv) protection from adverse or volatile market conditions; and (v) protection from loss by Mercury.
- 9.2 If the Client becomes aware of the occurrence or likely occurrence of any event referred to in Clauses 9.1(a) to 9.1(h) above, it shall notify Mercury immediately.
- 9.3 If any event referred to in Clause 9.1 above takes place Mercury shall at its discretion be entitled to cancel any FX Contract then outstanding and charge the Client with all of the costs, expenses and losses (and interest at the rate referred to in Clause 15.1 on any such sums) that Mercury may incur (including any action it may take to cover or reduce its exposure) as a result of Mercury cancelling FX Contracts with the Client (including the actual or hypothetical costs of unwinding any hedging arrangements which are referable to the FX Contracts). Any excess amount held by Mercury in respect of the FX Contracts shall be returned to the Client after deducting all other sums due to Mercury.
- 9.4 If for any reason an FX Contract is closed out or does not proceed to completion, Mercury will send to the Client any sum due to the Client or a notice setting out the sum due from the Client (as appropriate). The Client shall bear all the losses/ expenses of Mercury whatsoever that may arise on account of such close out or cancellation, and Mercury shall have the right to use any monies of the Client held by it to offset such amounts as are owed by the Client to Mercury. For such purpose, Mercury shall be entitled to convert any currency held by it and such conversion shall be at the rate of exchange available to it. Any fee or charge which Mercury incurs as a result of such conversion shall be paid for by the Client.
- 9.5 If the Client's method of payment, is dishonoured, returned, not met on first presentation or stopped for whatever reason, Mercury shall levy an administrative charge. This

administrative charge will become payable by the Client in addition to any other sums due under these Terms.

10. LIMITATION OF LIABILITY AND INDEMNITY FOR FOREIGN EXCHANGE SERVICES

- 10.1 In addition to any limitation on liability under Clause 13 or 17 below which may apply to the Foreign Exchange Services, Mercury shall not be liable to the Client:
- (a) for any delay or failure to perform its obligations under these Terms relating to any FX Contract by reason of any cause beyond the reasonable control of Mercury, but Mercury shall try to perform those obligations as soon as it reasonably can in any event;
 - (b) for any loss resulting from the determination of Manifest Error by Mercury;
 - (c) Mercury acting on a written, oral, telephone, fax or electronic FX Order which reasonably appeared to Mercury to be from the Client or a Nominated Dealer; or

 - (e) for an amount greater than the maximum stated in Clauses 10.2 and 10.4.
- 10.2 Without prejudice to Clause 10.1 above, Mercury shall not be responsible in any way for any delay in payment by it under these Terms relating to the Foreign Exchange Services which is caused by the Client or any other third party, including but not limited to bank delay, postal delay, payment network delay, the failure or delay of any fax or electronic transmission, or delay caused by accident, emergency or act of god. For the avoidance of doubt the Client accepts that the Client is solely responsible for ensuring that all payments which the Client is required to make under any FX Contract are made promptly and within the time limits specified by the particular FX Contract and these Terms.

- (b) a currency other than Euro or Sterling but the account of the Payee's payment service provider is located within the European Economic Area ('EEA'), Mercury shall ensure that the amount of the Payment is credited to that account by the end of the fourth Working Day following that on which the Client's Payment Instruction was deemed to be received; and
- (c) a currency other than Euro or Sterling and the account of the Payee's payment service provider is located outside the EEA, Mercury shall endeavour to ensure that it actions the Payment as soon as is reasonably practicable.

12. SAFEGUARDS AND SECURITY

12.1 The Client must notify Mercury via telephone on +44(0)207 1993 790 or by email to contact@mercury-fx.com on becoming aware of the loss, theft, misappropriation or unauthorised use of any personalised security features (including its Account Number, all passwords and PIN) belonging to the Client or a Nominated Dealer with respect to the Services ("**Personalised Security Features**").

12.2 The Client and each Nominated Dealer must take all reasonable steps to keep safe their Personalised Security Features. This includes:

- (a) each Nominated Dealer and the Client not writing down or telling anyone their Account Number, any passwords and/or PIN;
- (b) ensuring that access to the Online Platform is kept safe. This will include, but is not limited to:
 - (i) logging off the Online Platform every time the computer (or other device used to gain access to the Online Platform) is left by the Client or the relevant Nominated Dealer;

- (ii) always ensuring that login details are not stored by the browser or cached or otherwise recorded by the computer (or other device used to gain access to the Online Platform);
 - (iii) having recognised anti-virus software out on the device you use to gain access to the Online Platform;
 - (iv) carrying out anti-virus checks on the device you use to gain access to the Online Platform on a regular basis, and at least every 30 days, and be able to provide proof of same upon request; and
 - (v) notifying Mercury immediately if a virus is found on the device the Client or any Nominated Dealer uses to obtain access to the Online Platform;
- (c) taking reasonable care to ensure that the e-mail account(s), phone number, mobile phone number, computer, fax and other network the Client and each Nominated Dealer use to communicate with Mercury is secure and only accessed by the relevant Client or Nominated Dealer.
- 12.3 The Client must take all reasonable precautions to prevent fraudulent use of Payment Services.
- 12.4 Mercury may stop or suspend any Payment (in whole or in part) and/or the Client's use of the Payment Service and/or a communication channel between the Client and Mercury if it has reasonable grounds for doing so relating to:
- (a) the security of the Payment Service or a Payment or any Personalised Security Feature or a communication channel between the Client and Mercury;
 - (b) the suspected, unauthorised or fraudulent use of the Payment Service or a Payment or any Personalised Security Feature or a communication channel between the Client and Mercury; and/or
 - (c) where the Payment is being made in connection with a credit line, if Mercury believes that there is a significantly increased risk that the Client may be unable to fulfil its liability to pay.
- 12.5 Unless doing so would compromise reasonable security measures or be unlawful, before stopping or suspending any Payment (in whole or in part) or the Client's use of the Payment Service (as appropriate) or immediately after doing so, Mercury must inform the Client and give its reasons for doing so. As soon as practicable after the reason for stopping or suspending any Payment (in whole or in part) or the Client's use of the Payment Service (as appropriate) has ceased to exist, Mercury must allow the outstanding element of the Payment or the resumption of the Client's use of the Payment Service (as appropriate).
- 12.6 If the Client believes that a Payment Instruction has been given, or a Payment made, in error and/or was unauthorised by it, the Client must notify Mercury as soon as possible via telephone on +44(0)207 1993790 or by email to contact@mercury-fx.com. Failure to notify Mercury immediately on becoming aware or within 13 months of the date of any Payment could result in the Client losing its entitlement to have the matter corrected.

13. LIABILITY FOR PAYMENT SERVICES

- 13.1 Where it is established that a Payment has been given in error and/or was unauthorised by the Client and that Client has notified Mercury in a timely manner within 13 months of the monies being debited from its accounts, unless Clause 13.2 applies, Mercury shall refund to the Client the full amount debited erroneously or without authorisation.
- 13.2 The Client will be liable for:
- (a) all losses incurred in respect of unauthorised Payments made by Mercury if the Client has acted fraudulently, or has intentionally or with gross negligence not complied with its obligations under Clause 12.1 and 12.2; and
 - (b) where Clause 13.2(a) does not apply, up to £50 of any losses incurred in respect of unauthorised Payments arising:
 - (i) from the use of a lost Account Number, password or PIN used for gaining access to the Online Platform;
 - (ii) where the Client has otherwise failed to keep the Personalised Security Features safe.
- 13.3 Except where the Client has acted fraudulently, the Client will not be liable for any losses incurred in respect of unauthorised Payments where the Client notified Mercury in writing, without undue delay, on becoming aware of the loss, theft, misappropriation or unauthorised use of any Personalised Security Features regarding the Payments having been breached which resulted in the aforementioned loss.
- 13.4 Mercury shall not be liable for non-execution or defective execution in relation to a Payment which it has made in accordance with a Unique Identifier given to it by the Client which proves to be incorrect. However, Mercury shall make reasonable efforts to recover funds involved in that transaction and may charge the Client for doing so, including passing on to the Client charges made by intermediary banks and/or the payee's bank for their assistance which assist in the tracing process.
- 13.5 Mercury is liable to the Client for the correct execution of a Payment Instruction unless:
- (a) Clause 13.3 applies; or
 - (b) Mercury can prove to the Client (and where relevant, to the Payee's payment services provider) that the Payee's payment services provider received the Payment within the appropriate time period described in Clause 11.10. Mercury shall, on request, make immediate efforts to trace the payment and notify the Client of the outcome.
- 13.6 Mercury shall not be liable to the Client for any:
- (a) delay or failure to perform its obligations under these Terms or any Contract (including any delay in payment) by reason of any cause beyond the reasonable control of Mercury including but not limited to any action or inaction of the Client or any third party, bank delay, postal delay, failure or delay of any fax or electronic transmission, any accident, emergency, act of god or any abnormal or unforeseeable circumstances; or

- (b) consequential or indirect loss (such as loss of profits or opportunity) the Client may incur as a result of Mercury failing to perform its duties under a Contract; or
 - (c) contravention of a requirement imposed on Mercury by the PSRs where that contravention is due to Mercury complying with its obligations under the laws of any EEA state or other jurisdiction.
- 13.7 Under Regulation 63 of the PSRs, the Client may be entitled to a refund in certain circumstances where a Payment is initiated by the Payee. It is not anticipated that any Payment will be initiated by a Payee under any Payment Services provided by Mercury.
- 13.8 The provisions in this Clause 13 shall survive termination of these Terms or any Contract.

TERMS APPLYING GENERALLY

14. PAYMENT TO MERCURY

- 14.1 For Spot FX Contracts, the Client must deliver cleared funds (but not cash or cheques) into the Transaction Account for the full amount specified in the Confirmation (the sale currency and any applicable charges) on or before the Value Date.
- 14.2 For Forward FX Contracts, the Client must deliver cleared funds (but not cash or cheques) to the Transaction Account covering the Margin within one Working Day of the Contract having been entered into and the remaining full amount specified in the Confirmation on or before the Value Date of the Order.
- 14.3 Mercury does not accept cash, cheques or credit or debit card payments as Margin or payment. Any references in these Terms to cleared funds shall not include cash, cheques, credit or debit card payments. Any funds paid into the Transaction Account(s) in cash will incur a processing fee of 3%. These funds may be returned back to the Client (less the processing fee) if the source of funds is not proven to Mercury's satisfaction.
- 14.4 All payments due from the Client to Mercury under these Terms shall be made in full without set-off, counter-claim, deduction or withholding whatsoever unless the Client has a valid court order against Mercury in the amount withheld.
- 14.5 Mercury will endeavour to pay to the Client the amount due in the manner and at the date detailed in the Confirmation provided that cleared funds as detailed in the Confirmation have been received in full into the Transaction Account by the time set out in the Confirmation.
- 14.6 Mercury may deduct from the Payment such amounts as Mercury may be required by law to deduct in respect of taxation liabilities, together with any Mercury administration fees chargeable in accordance with these Terms and bank charges.
- 14.7 Mercury's charges in relation to Foreign Exchange Services will be as set out in the Confirmation. The Client understands that, because Mercury deals as principal, the foreign exchange rate it offers the Client will not be the same as the rate Mercury obtains itself.

15. INTEREST AND CHARGES

- 15.1 If the Client fails to make any payment required under these Terms when it is due, interest will be charged on the outstanding sum at 5% per annum above the base rate, from time to time in force, of the Bank of England from the date payment is due until the date payment is made and shall be compounded monthly and Mercury shall be entitled to claim from the Client its reasonable costs in recovering any sums overdue. Amounts due under this Clause may at our reasonable discretion be converted to Pounds Sterling or any other currency at a rate to be reasonably determined by us.
- 15.2 If the Client's payment, is dishonoured, returned, not met on first presentation or stopped for whatever reason, Mercury shall levy an administrative charge of £25 (or equivalent currency) in respect of each such payment. Cash payments will be subject to a processing fee, whether or not the payment is returned to the Client.
- 15.3 Mercury will charge the Client bank charges and Mercury administration fees, and any other costs incurred or suffered by Mercury or by instruction of the Client, to reverse, recall or modify any Contract(s) including Payment(s) except as the result of any error on the part of Mercury.
- 15.4 If the Client requests information or materials which are not provided as part of the Services, Mercury may accept, or decline the request and may charge an Administration Fee to fulfil such request.
- 15.5 Any outbound payment regardless of currency, amount or destination is liable to a £15.00 or currency equivalent (USD\$30.00 and €25.00) payment charge. This is levied by Mercury to offset the cost it incurs for making payments for which it is charged by its banking provider. These charges may, at Mercury's discretion, be waived in part or discounted completely.
- 15.6 Any transfer of funds (whether resulting from a Contract or otherwise) may be liable to taxation in the UK or in any other applicable jurisdiction. It is the responsibility of the Client to ascertain the applicability and extent of any taxation and to declare and pay any tax on any such sums. In the event that Mercury is required to withhold any sums in respect of taxation by any court, regulation to taxing entity in any applicable jurisdiction, Mercury shall be permitted to do so. Mercury shall have no obligation to account to the Client in respect of sums so withheld.

16. EXCHANGE RATES

- 16.1 The Client acknowledges that foreign exchange business may from time to time be restricted, closed or otherwise impeded or that action may be taken by a counterparty in an emergency or otherwise to close out a Forward FX Contract or exercise set-off rights (an "**Impediment**"). Any such action may result in Mercury being unable to enter into or otherwise execute an FX Contract. The Client shall remain fully liable for all existing open positions, new positions or eliminated positions resulting in whole or in part from an Impediment.
- 16.2 Notwithstanding Clause 16.1, the Client acknowledges and agrees that foreign exchange rates may change prior to the time of execution of a Spot Transaction or Forward Transaction. There may be circumstances in which the foreign exchange rate captured for a Spot Transaction or Forward Transaction differs from the rate which was notified to the

Client at the time when the Order was placed. Without limitation to the provisions of Clause 17, Mercury shall not be liable in respect of any loss or diminution of value or profit derived from the change in any foreign exchange rate.

17. GENERAL LIMITATION OF LIABILITY OF MERCURY

- 17.1 Where Mercury and another person (such as another payment services provider) are liable to the Client in respect of the same matter or item, the Client agrees that the liability of Mercury to the Client will not be increased by any limitation of liability the Client has agreed with that other person or because of the Client's inability to recover from that other person beyond what the liability of Mercury would have been had no such limitation been agreed and/or if that other person had paid his or its share.
- 17.2 Where any loss, liability, cost or expense (a "Loss") is suffered by the Client for which Mercury would otherwise be jointly and severally or jointly liable with any third party or third parties, the extent to which such Loss shall be recoverable by the Client from Mercury (as opposed to any third parties) shall be limited so as to be in proportion to the aggregate Mercury's contribution to the overall fault for such Loss, as agreed between all of the relevant parties or, in the absence of agreement, as determined by a court of competent jurisdiction. For the purposes of assessing the contribution to the Loss in question of any third party for the purposes of this Clause, no account shall be taken of any limit imposed or agreed on the amount of liability of such third party by any agreement (including any settlement agreement) made before or after such Loss occurred or was otherwise incurred.
- 17.3 Mercury shall not be liable for any Loss arising as a result of any default or negligence of any other payment service provider.
- 17.4 The Services are provided to the Client solely and exclusively by Mercury and Clear Treasury. None of Mercury's or Clear Treasury's employees assumes any personal responsibility to the Client or any other person, owes the Client or any other person any personal duty of care nor is liable to the Client or any other person for any Loss arising, directly or indirectly, as a consequence of their own acts or omissions. Accordingly, the Client agrees not to bring a claim against any of Mercury or Clear Treasury employees personally. This Clause does not exclude or limit the liability of Mercury for (i) the acts or omissions of any of its employees in the course of its business or (ii) the acts or omissions of its employees performed within the scope of the employee's contract of employment.
- 17.5 Mercury accepts no responsibility for any delay in fulfilling a Contract attributed to the late arrival of funds or instruction of payment relative to the cut off times of the designated bank or for delays or faults due to the clearing banks or banking systems.
- 17.6 Mercury shall not be liable for any bank charges that the Client may incur in sending or receiving funds to or from Mercury and/or Clear Treasury.
- 17.7 Mercury shall not be liable to the Client for the non-performance of Mercury's obligations or the failure to execute any Order if the execution of the Order would be illegal.
- 17.8 Nothing in these Terms limits or excludes the liability of Mercury for death or personal injury caused by its negligence or for any damage or liability incurred by the Client as a result of fraud or fraudulent misrepresentation by Mercury or to the extent that the liability may not be excluded or limited by any applicable law.

Mercury will try and notify the Client (orally or in writing) of the action it has taken, as soon afterwards as it practically can, but if it does not, the validity of its action shall not be affected.

19. FORCE MAJEURE

- 19.1 Mercury shall not be in breach of these Terms or the terms of any Contract nor liable for delay in performing or failure to perform, any of its obligations under these Terms or the terms of any Contract, where failure to fulfil any obligation under these Terms or the terms of any Contract is due to:
- (a) abnormal and unforeseeable circumstances beyond the control of Mercury, the consequences of which would have been unavoidable despite all efforts to the contrary; or
 - (b) the obligations of a payment service provider under other provisions of EU or national law.
- 19.2 If, in the circumstances described above Mercury is delayed or prevented from fulfilling its obligations under these Terms or the terms of any Contract, Mercury will take all reasonable steps to notify the Client and shall be entitled to extend the time for performance of the relevant Contract or fulfilment of the obligation for so long as such cause of prevention or

delay shall continue. If the event continues to cause prevention or delay for a period of more than 30 days, both the Client and Mercury shall have the right, upon notifying the other, to terminate these Terms and any outstanding Contract.

You will be deemed to have accepted the proposed amendments unless you notify us and terminate these Terms before the date proposed by Mercury for the entry into force of the changes. If we receive no objection from you, such amendments shall take effect from the date specified by us but may not affect any rights or obligations that have already arisen and will not be retrospective.
- 20.3 For the avoidance of doubt, the termination of these Terms by any means by the Client, shall not affect any Contract nor any rights or obligations that have already arisen at the date of the termination.

21. ASSIGNMENT

- 22.7 Mercury shall use its reasonable endeavours to ensure that electronic communications that it sends are free from viruses and other material which may cause harm to any other computer system. The Client undertakes to do likewise with any electronic communications it sends to Mercury.

- 23.4 To assist Mercury with meeting its obligations, Mercury and/or Clear Treasury may carry out an electronic verification check and credit reference check via third party providers in order to verify the Client's, or any shareholders or officers of the Client's, identity and credit standing. If such searches are carried out, Mercury and/or Clear Treasury may keep records of the contents and results of such searches in accordance with all current and applicable laws. You acknowledge that us carrying out an electronic verification check or credit reference agency check will leave a soft footprint on the individual or entity's credit history. You warrant that you have obtained the consent of each individual officer and shareholder to such checks being carried out.

23.5 If, while Mercury and Clear Treasury are acting for the Client, it becomes necessary to make a money laundering disclosure, Mercury and Clear Treasury may not be able to inform the Client that a disclosure has been made or of the reasons for it.

The Client confirms it is acting on its own behalf and not for the benefit of any other person.

27.2 Except in so far as the context otherwise requires, each provision in these Terms shall be construed as independent of every other provision, and if any provision or part of any provision hereof is or becomes partially or fully invalid, illegal or unenforceable then the validity, legality and enforceability of the remaining provisions shall not be affected. In such circumstances, the invalid, illegal or unenforceable provision shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part-provision shall be deemed deleted. Any modification to or deletion of a provision or part-provision under this Clause shall not affect the validity and enforceability of the rest of these Terms. If one party gives notice to the other of the possibility that any provision or part-provision of these Terms is invalid, illegal or unenforceable, the parties shall negotiate in good faith to amend such provision so that, as amended, it is legal, valid and enforceable, and, to the greatest extent possible, achieves the intended commercial result of the original provision.

27.3 A failure by either party to exercise or enforce any right or remedy conferred upon it by these Terms or by law shall not be deemed to be a waiver of such right or remedy or operate so as to bar the exercise or enforcement thereof at any subsequent time or times. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy. The rights and remedies provided under these Terms are in addition to, and not exclusive of, any rights or remedies provided by law.

27.4 A person who is not a party to these Terms shall not have any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of these Terms or any Contract. This does not affect any right or remedy of a third party which exists, or is available, apart from that Act.

27.5 The parties agree and consent to the recording of telephone conversations between the parties with or without an automatic tone warning device; and the use of such recording as evidence by either party in any dispute or anticipated dispute between the parties or relating to dealings between the parties.

27.6 If Mercury makes any recordings or transcript it may also destroy them in accordance with its normal procedures.

27.7 While Mercury will use reasonable endeavours to make the Online Platform available, Mercury does not guarantee that it will operate continuously or without interruptions.

- 27.8 These Terms (and all documents referred to herein and annexed hereto) constitute the entire agreement between the Client and Mercury and supersede and extinguish all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to their subject matter.
- 27.9 Each of the Client and Mercury agrees that it shall have no remedies in respect of any statement, representation, assurance or warranty (whether made innocently or negligently) that is not set out in these Terms. Each party agrees that it shall have no claim for innocent or negligent misrepresentation or negligent misstatement based on any statement in these Terms.

- (a) to the fullest extent that is permitted by law, the provisions of the PSRs shall not apply to these Terms and any Contract; and
 - (b) the provisions which shall not apply as set out in Clause 27.10(a) above shall include the whole of Part 5 of the PSRs and Regulations 54(1), 55(2), 60, 62, 63, 64, 67, 75, 76 and 77 (as amended restated or re-enacted from time to time).
- 27.11 The provisions of Clause 27.10 above shall not apply if (or at any time when) the Client is a consumer, a micro enterprise (as defined in Commission Recommendation 2003/361/EC, as amended from time to time) or a charity.
- 27.12 Where the Client comprises two or more people, each person will be jointly and severally liable to Mercury in respect of all obligations contained in these Terms.
- 27.13 The Client may request and Mercury shall provide a copy of these Terms and any information set out in Schedule 4 of the PSRs at any time prior to termination of these Terms.
- 27.14 These Terms and any Contract to which these Terms apply and any dispute or claim arising out of or in connection with these Terms or any such Contract or its or their subject matter or formation (including non-contractual disputes or claims) are governed by and shall be construed in accordance with the laws of England.
- 27.15 The Client and Mercury agree that the courts of England and Wales shall have exclusive jurisdiction over any claim, dispute or matter arising out of or in connection with these Terms or their subject matter or formation (including non-contractual disputes or claims) and any Contract to which these Terms apply or its subject matter or formation (including non-contractual disputes or claims) or any of the documents to be entered into pursuant to these Terms.
